| Title: NAIL CLIPPER FOR PETS WITH | : | 37 CFR 1.181F |
| CURVED CUTTING EDGES | : | |

This is a decision on the renewed petition filed Aug. 29, 2006 to request reconsideration of the Decision on Request for Reconsideration of Decision Vacating Office Action.

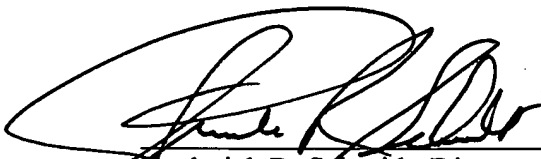

The petition is **GRANTED**.

In his Aug. 29, 2006 Renewed Petition, the petitioner requested the reconsideration the Decision mailed on Aug. 8, 2006 and request issuance of a new Notice of Allowance. In support of his renewed petition, the petitioner argues that the entry of the address data in the USPTO PAIR system was correctly recorded as shown by the attached computer print out dated May 9, 2005. For some unexplained reason, the PTO did not physically enter the address change correctly. The applicant has submitted a sufficient affidavit to set forth all the surrounding facts in details.

Under the circumstances and facts supported by the records and presented by the petitioner, this petition is granted. A new notice of Allowance will be issued in due course. The holding of abandonment is vacated.

Accordingly, the petition is granted.

Any inquiry regarding this decision should be directed to Henry Yuen, Special Program Examiner, at (571) 272-4856.
